Supreme Court quashes NEET, says no unified exam for medical courses

Thursday, Jul 18, 2013, 12:26 IST | Place: New Delhi | Agency: PTI

The court's decision came on 115 petitions challenging the MCI notification on NEET for admission to MBBS and post-graduate medical courses conducted in colleges across the country.

The Supreme Court on Thursday quashed the Medical Council of India's (MCI) notification for admission to MBBS and post-graduate medical courses.

The majority verdict by Chief Justice of India Altamas Kabir and Justice Vikramajit Sen said that MCI is not empowered to prescribe all India medical entrance tests.

The bench said that the MCI notification was in violation of Articles 19, 25, 26, 29 and 30 of the Constitution.

Justice A R Dave said he did not share the view of Chief Justice Kabir and Justice Sen.

"Holding of National Eligibility Entrance Test (NEET) is legal, practical and is the need of the society. Hence, I have dissented," Justice Dave said.

The court's decision came on 115 petitions challenging the MCI

notification on NEET for admission to MBBS and post-graduate medical courses conducted in colleges across the country.

On May 13, the court had lifted the bar on declaration of results of examinations that had already been conducted and said the admission process could go ahead.

It had modified its December 13, 2012 order by which it had stated that MCI, Dental Council of India, as well as the states, universities and other institutions, will be entitled to conduct their respective examinations for MBBS, BDS and post-graduate courses but shall not declare their results until further orders.

The bench had earlier directed transfer of all petitions pending in various courts to it by January 15, this year.
